

Greater Brighton Metropolitan College Equality & Diversity Statement

Greater Brighton Metropolitan College is committed to promoting equality of opportunity and to eliminate unlawful discrimination. We are committed to celebrating our diverse community and recognise the value that every individual brings and the richness this diversity adds to our College.

We are committed to ensuring that there is an equity in our approach for all students, potential students, our staff and service users, regardless of gender, age, gender reassignment, marriage and civil partnerships, disability, race, religion and belief, or sexual orientation and will not tolerate any form of discrimination.

We provide a wide range of learning opportunities across various locations within the local community and are committed to ensuring that:

- Teaching, learning and assessment is inclusive and dynamic and promotes the success of every student.
- Appropriate action is taken to address identified gaps in the retention, achievement and progression of students and the impact of interventions closely monitored.
- The views of all students are widely sought, listened and responded to through a range of mechanisms throughout the student journey.
- We engage with our internal and external community to play a positive role within the region in supporting all students to thrive and succeed and widening participation.

This commitment to equality and diversity is evident in everything we do; our environment, our culture, our service, our facilities and within our teaching learning and assessment and support practice.
